THE QUESTION CONCERNING HAITI

REPORT OF THE SECRETARY-GENERAL ON THE QUESTION CONCERNING HAITI (S/26724)

The PRESIDENT: The Security Council will now begin its consideration of the item on its agenda. The Security Council is meeting in accordance with the understanding reached in its prior consultations.

Members of the Council have before them the report of the Secretary-General on the question concerning Haiti; that report is contained in document S/26724.

Members of the Council also have before them document S/26725, which contains the text of a letter dated 12 November 1993 from the Permanent Representative of Haiti to the United Nations addressed to the President of the Security Council.

Following consultations among members of the Security Council, I have been authorized to make the following statement on behalf of the Council:

"The Security Council takes note of the report of the Secretary-General on the question concerninq Haiti (S/26724) and the letter dated 12 November 1993 from the Permanent Representative of Haiti to the United Nations (S/26725).

"The Security Council commends the efforts of the Special Envoy of the Secretaries-General of the United Nations and the Organization of American States, Mr. Dante Caputo, takes note of his oral report made to the Council on 12 November 1993 and confirms its full support for his continued active diplomacy for resolving the crisis in Haiti.

(The President)

"The Security Council condemns the military authorities in Port-au-Prince for failing to comply fully with the Governors Island Agreement and in particular with points 7, 8 and 9. It reaffirms that this agreement constitutes the only valid framework for resolving the crisis in Haiti which continues to threaten peace and security in the region.

"The Security Council also reaffirms its support for the democratically elected President, Mr. Jean-Bertrand Aristide, and for the legitimate Government of Mr. Robert Malval. It recalls that it holds the military authorities responsible for the security of the members of this Government and for the security of the United Nations and Organization of American States personnel in Haiti.

"The Security Council is deeply concerned by the plight of the Haitian people. It reaffirms that the military authorities in Haiti are fully responsible for this suffering which directly results from their non-compliance with their public commitments to the Governors Island Agreement. The Council expresses its determination to minimize the impact of the present situation on the most vulnerable groups and calls upon Member States to continue, and to intensify, their humanitarian assistance to the people of Haiti. The Security Council welcomes in this regard the decision of the Secretary-General to dispatch a team of additional humanitarian personnel to Haiti.

(The President)

"The Security Council encourages the Secretary-General, in consultation with the Secretary-General of the Organization of American States, to work for the earliest possible return of the International Civilian Mission in Haiti (MICIVIH). The Security Council requests the Secretary-General to continue planning for additional measures including for an appropriate United Nations Mission in Haiti (UNMIH) to be deployed as conditions permit, consistent with the Governors Island Agreement.

"The Security Council stresses that the sanctions contained in resolutions 841 (1993), 873 (1993) and 875 (1993) will remain in force until the objectives of the Governors Island Agreement are fulfilled, including the departure of the Commander-in-Chief of the Haitian Armed Forces, the creation of a new police force permitting the restoration of constitutional order to Haiti and the return of the democratically elected President.

"The Security Council reaffirms its determination, expressed in the above-mentioned resolutions, to ensure the full and effective enforcement of current sanctions. It welcomes measures taken to this effect by States on a national basis in accordance with the Charter of the United Nations and relevant Security Council resolutions. In this regard, the Council is prepared to consider additional mechanisms and practical measures to help verify the full compliance with the decisions of the Security Council.

"The Security Council reaffirms its determination to consider strengthening the measures regarding Haiti in accordance with its resolutions 873 (1993) and 875 (1993) and its presidential statements of 25 October 1993 (S/26633) and of 30 October 1993 (S/26668) if the military authorities

(The President)

continue to obstruct full compliance with the Governors Island Agreement, thus preventing the restoration of lawful order and democracy in Haiti."

This statement will be issued as a document of the Security Council under the symbol S/26747.

The Security Council has thus concluded the present stage of its consideration of the item on its agenda.
